NICHOLALALA

I am the monster that lives under your bed.

Can you sense me? Do you worry when your feet dangle off the bed?

Can you feel the air move as I reach for your feet?

In the dead of night do you hear me breathing?

I am waiting for you.
One day I will grab you.

You know that kid that lived down the street?
You thought he moved away.

He didn't. I got him! He is... no more...

I am waiting for the girl.
She knows I'm here.
Her husband doesn't believe in me.

What is he doing?

Oh god, why is he naked?!

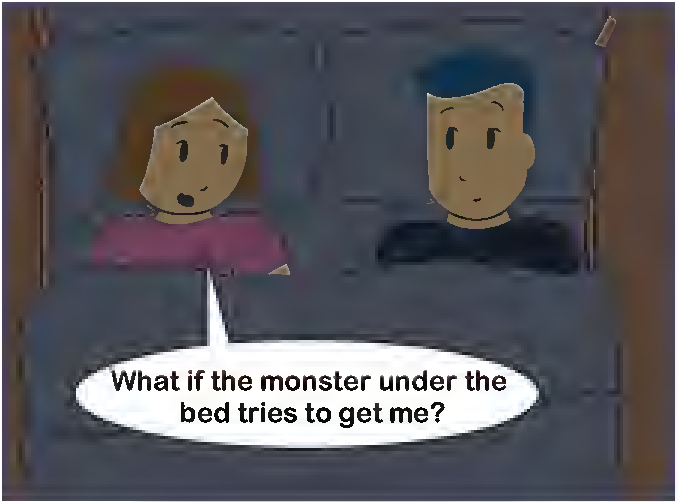
Ugh! He is exercising naked?!

Oh geez, his parts are flapping around.
This is disgusting!

Grunting
No, don't come closer!.

I can't handle this anymore!

I'm leaving!



What if the monster under the bed tries to get me?

You don't need to worry.
I'm always here to protect you.
